

# SINA LEARNING CENTRE

## May 1<sup>st</sup> NEWSLETTER

Dear Parents and Carers,

We hope you had a lovely Eid holiday. I would like to welcome Jabari in Nursery class. Now we are into our final 10 weeks before the end of the 3rd term of the academic year. A lot is planned ahead so please watch out for the dates and notices for events and celebrations. I have also added the dates below of events as we enjoy spontaneous fun and learning.

### DATES FOR YOUR DIARY

13<sup>th</sup> May - Bicycle day- children to come with their bikes

14<sup>th</sup> May- Open day- Parents and children to come and enjoy a fun filled day.

20<sup>th</sup> May - World bee day

### Rabbits!

We have lovely bunnies to sell. Each at kshs 100.00. Your child can have a personal pet and friend to look after. This will help your child learn how to care for the pet. It will be a boost to personal, social and emotional development learning area.

### Reminders

A gentle reminder that school begins at 8.00am and finishes from 12.15pm. We have important activities planned in the morning, so we ask children to be dropped (for those who don't take school transport) before we begin activities. Thank you for your co-operation with this.

**What we will be learning this term;**

Crèche class- Mini beasts

Nursery class- Under the sea

If you have any items related to the above topics at home, kindly assist us for our display area and learning in the classroom. For example, shells, fishing rod, fish bowl, beads, corals, magazines, toilet rolls, kitchen rolls, pictures, newspapers, story books to share etc.
